BOARD OF EDUCATION OF THE CITY OF NEW YORK

EASTERN DISTRICT HIGH SCHOOL

227 MARCY AVENUE

— BROOKLYN 11, NEW YORK

BEN MICHELSON, PRINCIPAL

STAGG 2-0791

To the June 1964 Graduates:

For all of you boys and girls this is a momentous year. It is a time when you leave your high school and move into the world of business or college.

However, the worlds are not altogether different. They require the same habits of attendance and punctuality, the same diligence and worthwhile effort. It is to be hoped that these traits which we taught you in school will serve you in good stead in this new sphere which you are entering.

Our best wishes for every success, health and happiness go with you.

Sincerely,

Ben Michelson

Principal

MANY THANKS

In Mr. Daniel Cohen, Eastern District High School has one of its greatest assets. As advisor to the Senior Class he has many responsibilities. These include his efforts on our Yearbook to which he devotes many hours. His work on our Senior Dance proved itself in the enjoyable evening we had on November 26th. Other Senior activities included our trips (great), our carnival (even better) and senior day (the best).

Among the schools which Mr. Cohen has attended are New York University, City College, St. John's University and the University of Honolulu. He is a veteran of World War II and presently teaches accounting at Eastern.

The graduates of Eastern District High School who have had the good fortune to work with Mr. Cohen wish to express their deepest thanks and appreciation to him. We believe that he is one of the hardest working and most capable men ever to have graced the halls of our school. We hope that he will continue his efforts at Eastern and that for the next hundred years he will be the advisor to the Senior Class. The Seniors of 1964 nominate him our "Man of the Year" and wish him all the joys he has given us.

SENIORS

RECIPE FOR MEMORIES

Add a cup of happiness, a cup of joy, a teaspoon of hope, a tablespoon of love, and a pinch of grief, and we've got four very short years. How many of us recall Finian's Rainbow of our freshman year and remember how the upperclassmen really gave us a scare at times.

Can you recall our sophomore year and the thrill of going to Madison Square Garden, and seeing your school's basketball team play for a city championship game? We weren't really too hurt when we lost. It had been fun. And do you recall the Poetry Writing Contest that year with the privilege of having Marianne Moore as the guest speaker at the award ceremony, and then getting coverage in one of the top newspapers.

Then came our junior year. Some of us were still wondering how we got promoted, while others were looking forward with great anticipation to a still better year for our already famous basketball team. Our hopes were fulfilled. Our team reigned victorious after a tight game, and we thus became the city champs.

This, our senior year, we were again out there fighting to keep our city champs' basketball title, and again our efforts proved fruitful. For a second year in a row, we could hold our heads proudly because we were again part of a winning team.

And, how can we forget our Senior Day? Wasn't it great to dress up in those Colonial period costumes? To have our own kind of country fair? But most of all, wasn't it terrific to joke with a friend who was elected for one of the booby senior honors.

It's been a short four years, but most assuredly we will always remember them. We may be going to college or into the business world, but we will often recall our well spent years at Eastern.

SPORTS

GIVE IT A CHEER

CHEERLEADERS — MISS SEIDLER

Our Cheerleaders with all their zeal add such spirit to our team at basketball games. They give that extra spark with their colorful outfits and their witty cheers.

GIVE IT A YELL

BOOSTERS — MRS. PICKETT

The Boosters also add to the spirit at basketball games. They back up the Cheerleaders with vocal support and drive the players to victory.

OUR FIGURETTES

TWIRLERS — MR. HOLDER

This newly formed club is under the direction of Mr. Holder. It is a delight for both participants and observers. The members do it for a hobby and add to the spirit at basketball games.

DUELING DOLLS

FENCING CLUB — MR. D. COHEN

Organized as a club this year the Girls' Fencing Club is preparing for competition next year. The club is open to those girls interented in fencing. Meetings are held on Mondays and Wednesdays.

SIR LANCELOTS

FENCING TEAM — MR. D. COHEN

Despite the fact that our Fencing Team entered the stronger league in the Brooklyn Division this year, the team managed to compile an astonishing 5-2 record. In the Individual Fencing Championship of the PSAL, Fred Young contributed an outstanding performance finishing in a field of over 300 competitors.

SPLISH SPLASH

SWIMMING TEAM — MR. GOTTLIEB

Despite the fact that our Swimming Team was faced with the handicap of not having its own swimming pool, the squad made a good showing in a powerful league that included Brooklyn Tech. Coach Sherman Gottlieb hopes that the boys will fulfill their promise in coming seasons.

YOUR SERVE

HANDBALL TEAM — MR. WEINER

Under the able coaching of Mr. David Weiner, our Handball Team this year managed to win its first division championship. After losing its initial match to Westinghouse, the team went on to beat Whitney, Jefferson, Brooklyn Automotive, and finally Westinghouse.

GO WHERE I SEND THEE

BOWLING TEAM — MR. CUSUMANO

This year, our still maturing Bowling Team did not sport an exceptionally good record, as most of the other teams in the school did, finishing with a 1-11 record. Coach Ben Cusumano is optimistic about next year for he feels that his youthful but experienced squad will give a better performance.

OUR PRIDE AND JOY

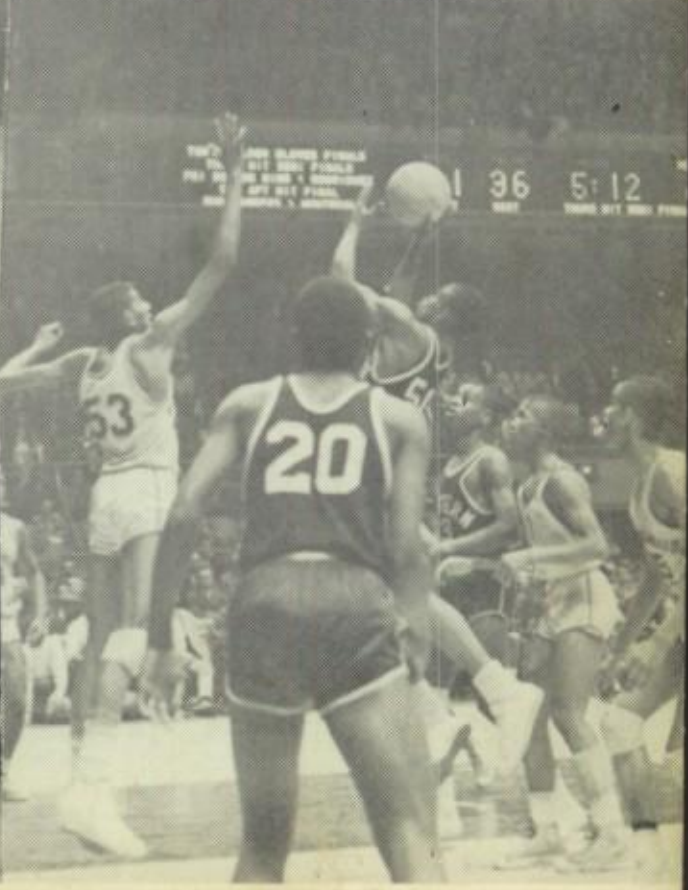

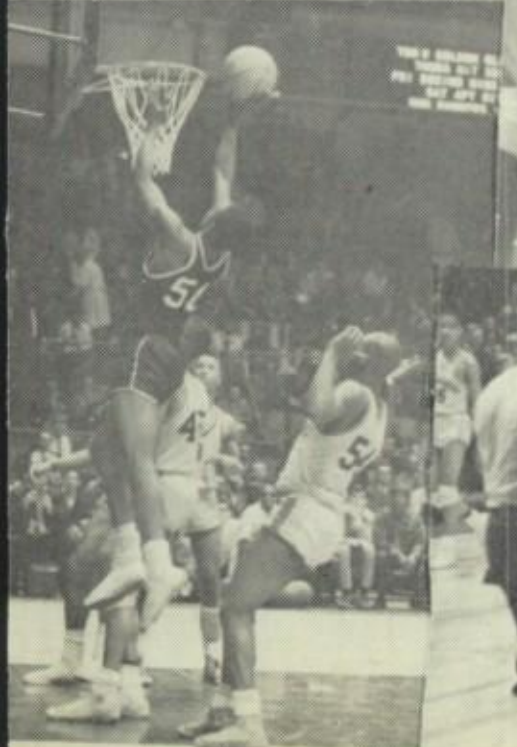

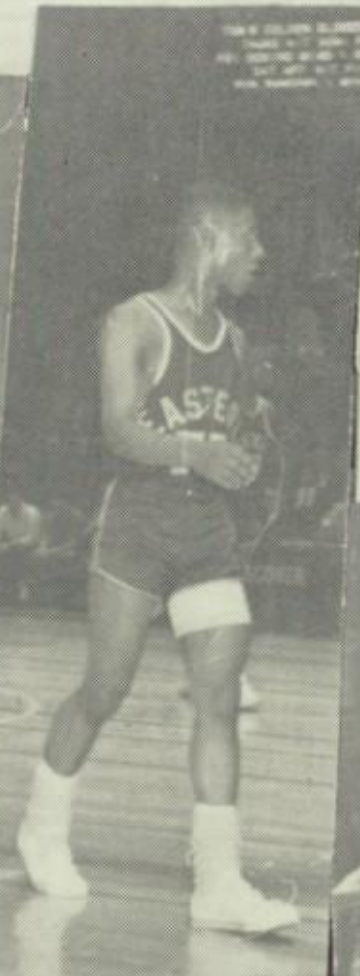

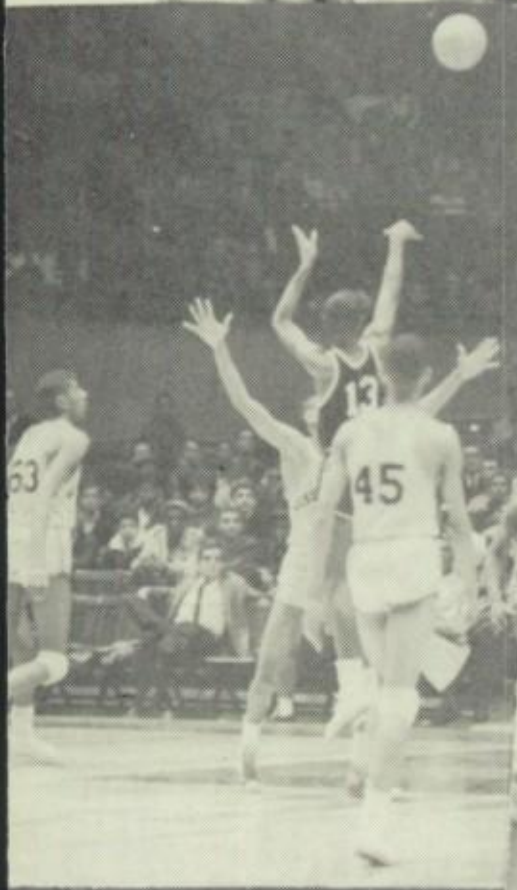

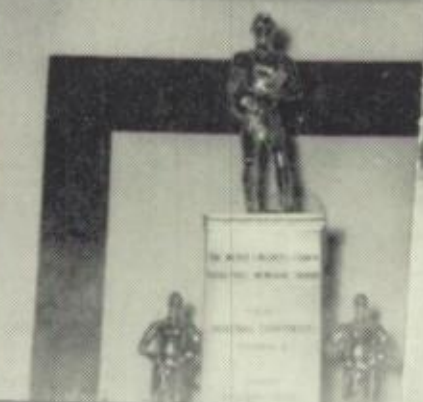

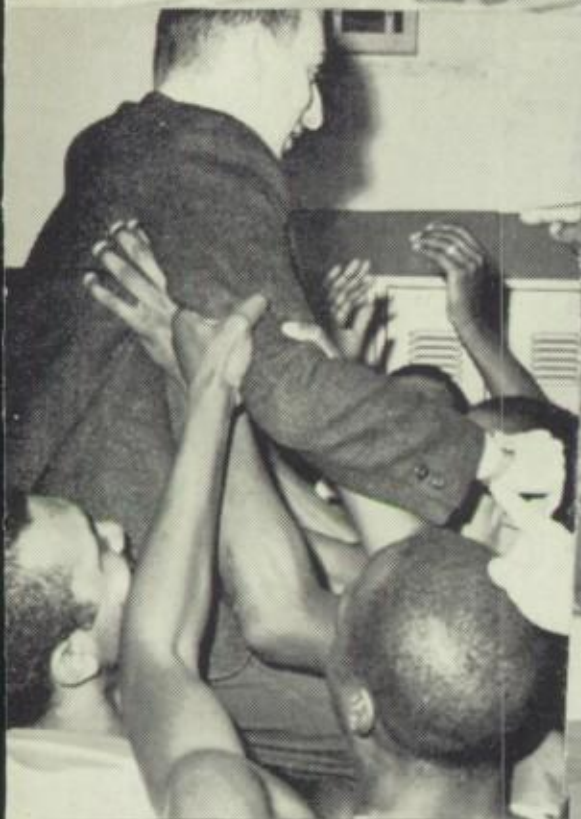

BASKETBALL — MR. BERNER

For the third consecutive year our basketball team has won the PSAL Division II championship, and over the past two years has captured the city championship in this division. During the first two years of this three year streak, Eastern boasted a team with height and shooting accuracy. No one will forget how Roger Bright, Pete Lofaso, and Bob Isaccs combined to provide shooting and rebounding power. At the beginning of this year, however, coach Jerry Berner was faced with the problem of rebuilding a new team. The starting five of the past year had graduated and of the boys available to start the new team, it was found they lacked one essential ingredient of a basketball team, height. Nevertheless, coach Berner started rebuilding with what he had and produced a starting five which consisted of Sylvester (Soapie) Adams, Jerome Baker, George Griffith, Arthur Mosby, and Mike (Crusher) Davis. The tallest man on the squad was Adams at 6 feet.

The team started off shakily but managed to pull out close victories against their perennial foes, Whitney and Automotive. As victory after victory began to pile up, school support increased. The team began to get the feel of the court as George Griffith and Arthur Mosby became defensive whizzes, and Soapie Adams, Jerome Baker, and Mike Davis provided deadly shooting. The team racked up nine straight victories before losing a heartbreaker to Westinghouse that brought us into the playoffs, in which Eastern faced Aviation. Our team emerged victorious in what proved to be a close game until the very end. By now the team had defied all the critics who predicted that it would not get anywhere this year.

The Championship game was to be played against Westinghouse at Madison Square Garden. The Knights knew that this time it was their turn to beat the "House." In two previous meetings the teams had split, both being very close games. Students at Eastern fulfilled their duty by packing the Garden for the game, and shouted until the very end as they saw Eastern rally in the final minutes to win by the score of 73-68. As Eastern was presented with the championship trophy, students could not help but wonder how such an extremely under-rated team managed to go all the way. This in itself made our victory so much sweeter, and established the team as Eastern's pride.

TAKE ME OUT TO THE BALL GAME

BASEBALL — MR. BERNER

Sporting one of the finest teams in the history of our school, our Baseball Team managed to win the Division Championship this year. The team started off on a weak note, but their pitching and hitting soon developed.

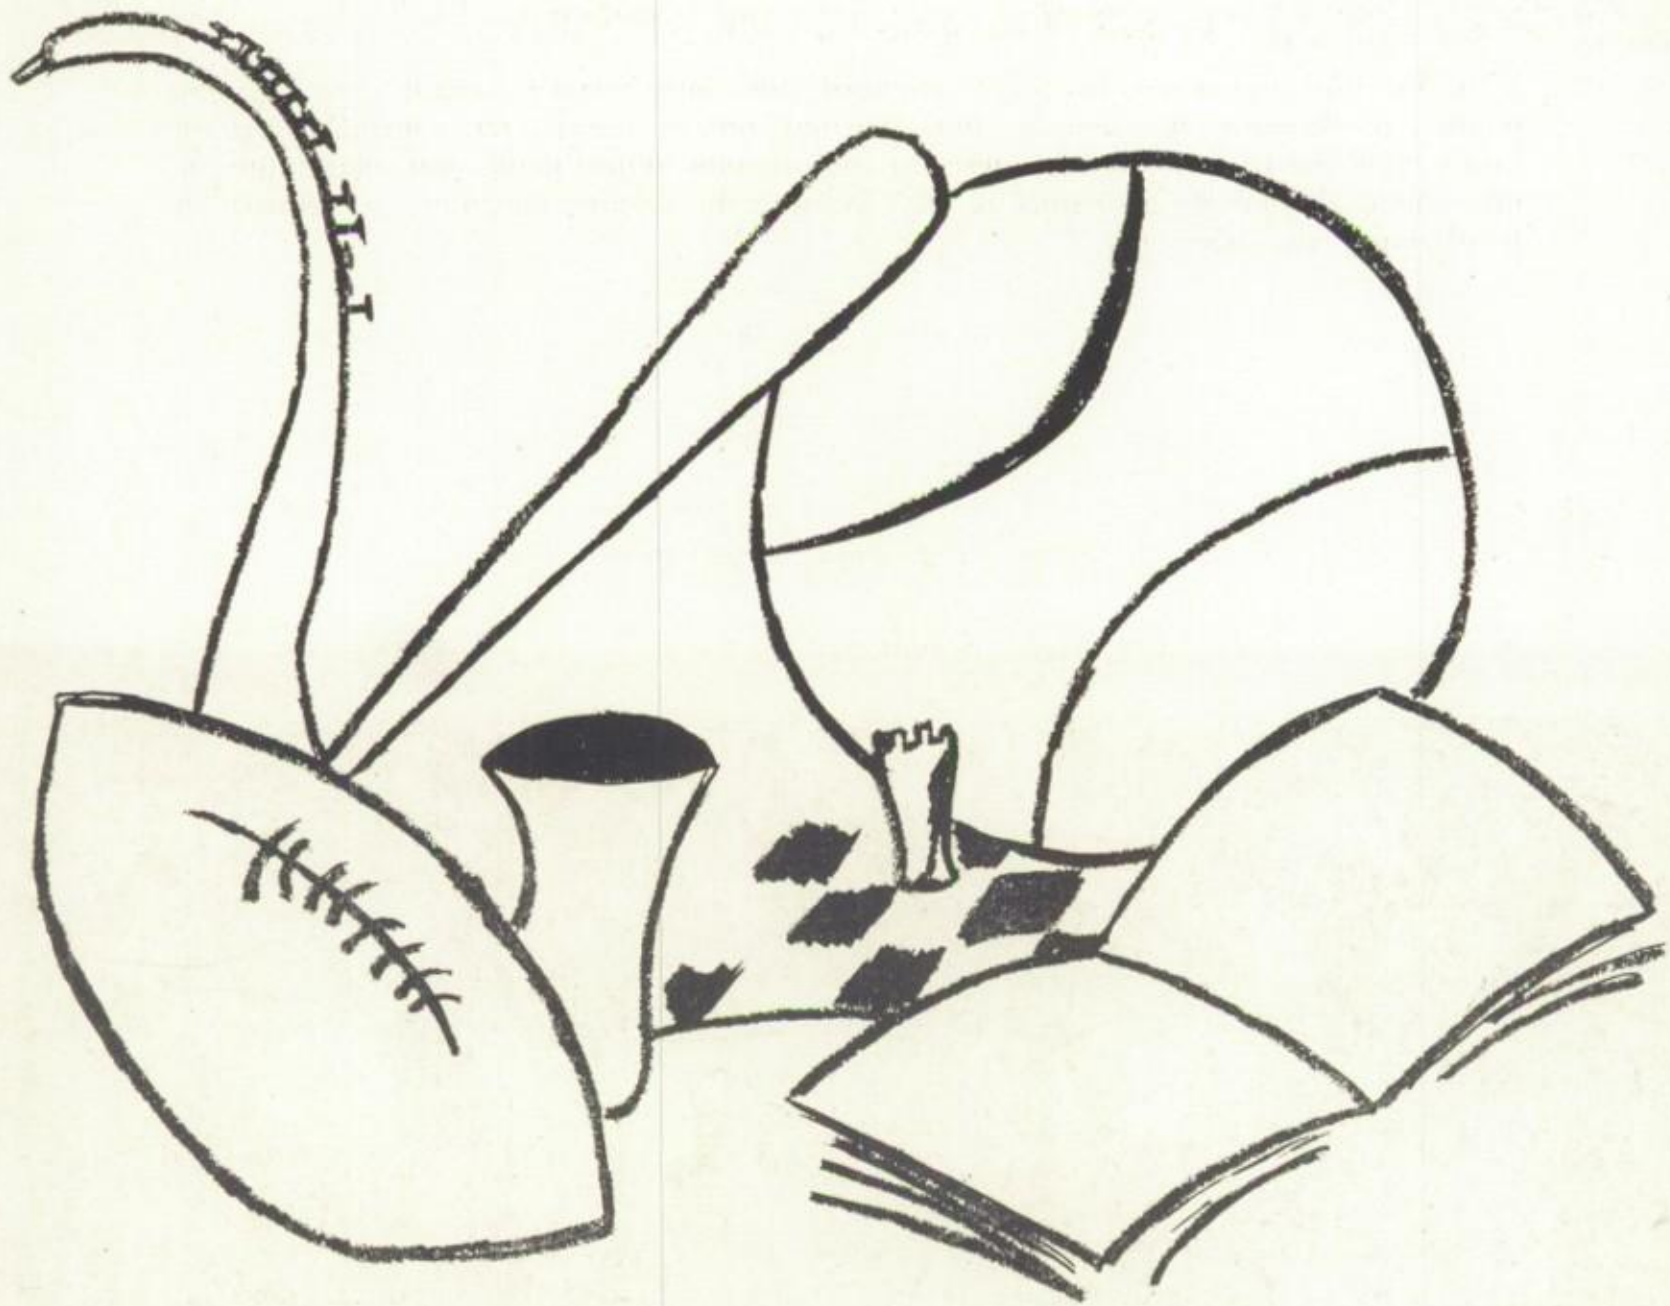

AND THEY'RE OFF

TRACK AND CROSS COUNTRY — DR. RUBIN

Eastern's Track Team broke novice this year as it took third place in the 880 relays. Coach Nathan "Doc" Rubin hails the team as one of the best in the school's history.

CLUBS

FAITHFUL SERVICE

SERVICE LEAGUE — MR. WEINER

With the able assistance of E.D.'s teachers aids, our Service League reached new heights in efficiency this year as they guarded our entrances, performed lunchroom duties, and escorted incoming guests to the various departments and classrooms of our school. Under the direction of Mr. Weiner, the League continues to improve in its efficiency year after year.

TRIAL BY JURY

STUDENT COURT — MR. B. COHEN

If you want a fair trial, all you have to do is come to Eastern District's Student Court. There you will find a judge, a jury and a lawyer waiting and willing to uphold justice. The court is always crowded with people eager to hear the outcome of the trials and the judge's decision.

VOICE OF THE PEOPLE

JUNIOR COUNCIL — MRS. KRUMBEIN

The Junior Council helps to make life more exciting for our juniors. They discuss ideas which may in later time become the basis for school functions.

PARLIAMENTARY PROCEDURE

SENIOR COUNCIL — MR. D. COHEN

The Senior Council under the direction of Mr. D. Cohen is a representative body consisting of two seniors from each class. The council organizes activities for the senior class.

PASSED BY A $\frac{2}{3}$ VOTE

G.O. CONGRESS — DR. HOROWITZ

Under the direction of Dr. Horowitz and the G.O. officers, the Congress makes appropriations for all clubs and G.O. Functions. Each class sends a representative to these meetings to discuss ideas that will benefit the school.

KNOWLEDGE IS POWER

FUTURE TEACHERS CLUB — MRS. SMITH

Under the guidance of Mrs. Smith the Future Teachers Club discuss the various facets of teaching. These girls have the opportunity of planning and teaching an actual class.

EASTERN'S INFORMERS

GOLD & WHITE — MR. GRUMET

This year's members of the Gold & White staff can truly say that they have turned in a magnificent job in the coverage of school activities. With the newspaper's publication of a sports supplement after each game, Easternites were informed of the latest scores and more support was gained for the team. Faculty Advisor Mr. M. Grumet devised new ideas for our newspaper which greatly increased the reading interest of our students.

CREATIVE CORNER

CARAVAN — MR. FENNER

ACKNOWLEDGEMENTS

The 1964 Eastern District High School Yearbook is now a reality, no longer a dream, and the Staff of the Knight wish to bestow their sincere thanks to those who have made it possible.

First, we are grateful to Mr. D. Cohen who supervised the entire production of our Yearbook. We wish to thank Mr. E. Lewis who helped us gather pictures of the school and of the Yearbook Staff. To Miss R. Dichelle goes our deepest appreciation for editing the Knight. We also wish to express a word of thanks to Artie Tucker, for without his excellent candid photography the montages in this book would not be possible. Our gratitude goes to Mr. Jerry Gladstein for his advice on putting the Knight together. We also wish to thank Tina Schlessinger, the editor of last year's yearbook, for her help and guidance.

Finally, to the members of the Senior Class, the student body, and our subscribers, we express our thanks, gratitude, and appreciation.

THE STAFF

The commencement exercises we will attend in June mean, for most of us, the last contact with our school and friends. When we entered high school, four years ago, we were frightened by the confusions of life. Like children we yearned to be taught how to handle the problems we would face as adults. As we now prepare to leave Eastern and embark upon new lives, we truly feel capable of taking on new responsibilities. We part no longer afraid, but thankful to those who have helped us to become mature young men and women. We are thankful for the friends we have made and all we have experienced.

We hope that when you reminisce about your high school years this book will bring back the joyous memories of your youth. Those of us who have helped to make the Knight a reality wish the happiest and most successful futures to the members of the Graduating Class of 1964.

With this, we bid you farewell.
